

## 5.6 Supervision of Children on Outings and Visits

### Policy Statement

Children benefit from being taken out of the setting to go on visits or trips to local parks, or other suitable venues, for activities which enhance their learning experiences. Staff in our setting ensure that there are procedures to keep children safe on outings; all staff and volunteers are aware of and follow the procedures as laid out below.

### Procedures

- All off site activity has a clearly identified educational purpose with specific learning and development outcomes.
- There is a designated lead for each excursion who is clear about their responsibility as designated lead.
- Parents sign a general consent on registration for their children to be taken out as a part of the daily activities of the setting.
- This general consent details the venues used for daily activities.
- There is a risk assessment for each venue carried out, which is reviewed regularly.
- Parents are always asked to sign specific consent forms before major outings.
- Our manager and all staff and volunteers taking part in the outing sign off every risk assessment.
- Children with allergies or other specific needs have a separate risk assessment completed i.e. child with allergies visiting a supermarket.
- An excursion will not go ahead if concerns are raised about its viability at any point.
- A risk assessment is carried out before an outing takes place and is available for parents to see.
- All venue risk assessments are made available for parents to see.
- Our adult to child ratio is high, normally one adult to two children, depending on their age, sensibility and type of venue, as well as how it is to be reached.
- Named children are assigned to individual staff to ensure that each child is well supervised, that no child goes astray and that there is no unauthorised access to children.
- Staff frequently count their designated children and ensure hands are held when on the street and crossing the road.
- Outings are recorded in the register, which is kept in the setting, stating;
  - The date and time of the outing
  - The venue and mode of transport used
  - The names of the members of staff assigned to each of the children

- The time of return
- Staff take a mobile phone on outings, as well as supplies of tissues, wipes, spare clothes and nappies, medicines required for individual children, a mini first aid kit, snacks and water. The amount of equipment will vary and be consistent with the venue and the number of children, as well as how long they will be out for. We encourage parents to apply sun cream to children as needed and ensure they are dressed appropriately for the type of outing and weather conditions.
- Staff take a list of children with them with contact numbers of parents/carers, as well as an accident sheet and a copy of our missing child policy.
- We provide children with high viz vests to wear that contain the name and setting telephone number – but not the name of the child.
- Records are kept of the vehicles used to transport children, with named drivers and appropriate insurance cover.
  - We ensure that seat belts are worn whilst travelling in vehicles and that booster seats and child safety seats are used as appropriate to the age of the child.
  - As a precaution, we ensure that children do not eat when travelling in vehicles.
  - We ensure that contracted drivers are from reputable companies, do not have unsupervised access to the children and are not included in the ratios.

This policy was adopted by	St. Cuthbert's Pre-School Play Group
On	<i>31<sup>st</sup> May 2018</i>
Date to be reviewed	<i>31<sup>st</sup> May 2020</i>
Signed on behalf of the provider	
Name of signatory	Mrs Rachel Sidwell - Mrs Selina Edwards
Role of signatory (e.g. chair, director or owner)	Manager - Chair
